I was thinking !

Dear Fellow Traveller,

In many ways it is true to say that the world in general is going through a very "Unsettled phase". Politically the vision of the leaders of our western world have for our world it seems to me become very inward looking. They talk a lot in terms of "putting up borders" and "building walls" rather than reaching out and building bridges. The vision of Jesus for the world is a long way from becoming a reality.

Today every single Church around the world "reaches out" to others so that the vital work of the Church and our missionaries can continue. Christ prayer is "May they all be one" provides us with the sense of direction. A real live missionary, Brian Johnson, will give the homily today, putting before us the news from the "Missions" and asking us to support the work.

RADIATING CHRIST

Dear Jesus,
 Help us to spread Your fragrance everywhere we go.
 Flood our souls with Your Spirit and life.
 Penetrate and possess our whole being, so utterly,
 that our lives may only be a radiance of Yours.
 Shine through us, and be so in us,
 that every soul we come in contact with
 may feel Your presence in our soul.
 Let them look up and see no longer us,
 but only Jesus.
 Stay with us, and then we shall begin to shine
 as You shine;
 So to shine as to be a light to others.
 The light, O Jesus, will be all from You,
 none of it will be ours;
 It will be You shining on others through us.
 Let us thus praise You in the way you love best
 by shining on those around us.
 Let us preach you without preaching,
 not by words but by our example,
 By the catching force, the sympathetic influence
 of what we do,
 the evident fullness of the love our hearts bear to
 You. Amen.
