I was thinking !

Dear Fellow Traveller,

A November Thought ....

One day, you will lose someone you can't live without, and your heart will be badly broken, and the bad news is that you never completely get over the loss of your beloved.

But there is also good news.

They live forever in your broken heart that doesn't seal up.

And you come through.

It's like having a broken leg that never heals properly,

that still hurts when the weather gets cold,

but you learn to dance with the limp!

“Sign of Peace”: As the winter Bugs begin to appear we would like to remind parishioners that it is not necessary to literally “Shake hands” to convey “Peace” to a fellow worshiper. Feel free to use alternative signs that capture the significance of the Sign of Peace. Alternatives that may be used include a moment of silence or the bowing of one’s head. Other options may present themselves in the course of time. - [The Queen uses Gloves and my 6 year old nephew does a “Fist Pump”] What is important is that we do not lose the significance of the Sign of Peace and the expression of peace, communion and charity amongst us.

**New Mass Servers:** We presently introducing New Altar Servers to the Parish. Huge “Thank You” to Claire Hynes and her Team who will Co-ordinate them for us., and to all the Moms and Dads involved helping to get the server here on time when they are on duty etc. We give our new servers a Big Welcome.

**The flowers** at the front of the Garden have been magnificent this year and are still bringing colour and cheerfulness. Big thanks to Frank Keane and his team together with Members of Salthill Men’s Shed who maintained and looked after them and our Suppliers (Dangan Nursaries);

Have a good week  
G.J
