I was thinking !

Dear Fellow Traveller,

Often we need to move out of our comfort-zone to discover the wisdom that surrounds us!!!

People visited a wise man complaining about the same problems over and over again. One day, he decided to tell them a joke and they all roared with laughter.

After a few minutes, he told them the same joke and only a few of them smiled.

Then he told the same joke for a third time, but no one laughed or smiled anymore.

The wise man smiled and said: "You can't laugh at the same joke over and over. So why are you always crying about the same problem?"

Moral of the story: Worrying won't solve your problems, it'll just waste your time and energy.

Power is gained by **sharing knowledge**, not hoarding it.

A Day of Prayer for the Survivors of Abuse takes place on Friday 15th Feb.

Lord, we are so sorry for what some of us did to your children: treated them so cruelly, especially in their hour of need. We have left them with a lifelong suffering. This was not your plan for them or us. Please help us to help them. Guide us, Lord, Amen.
