I was thinking !

Dear Fellow Traveller

I am conscious that this coming week is primarily about "Horses" but I have a story this week about "Dogs". Walking the prom I am often greeted by a nod or a hello from somebody wearing dark glasses. I'm sorry, but I don't always recognise you behind the "dark shades" unless of course you happen to be walking a dog. By their dog you shall know them ! Dogs are amazing really - we can learn a lot from our family "Mutt".

- ◆ Allow the experience of fresh air and the wind in your face to be pure ecstasy.
- ◆ When someone you love comes home always run to greet them.
- ◆ When it's in your best interest, practice obedience.
- ◆ Take naps and stretch before rising.
- ◆ Let others know when they've invaded your territory.
- ◆ Eat with gusto and enthusiasm.
- ◆ Be loyal.
- ◆ Never pretend to be something you're not.
- ◆ If what you want lies buried, dig until you find it.
- ◆ When someone is having a bad day be silent, sit close by and nuzzle them gently.
- ◆ Avoid biting when a simple growl will do.
- ◆ On hot days, drink lots of water and lie under a shady tree.
- ◆ When you're happy, dance around and wag your entire body.
- ◆ No matter how often you're scolded, don't buy into the guilt thing and pout... run right back and make friends.
- ◆ Delight in the simple joy of a long walk.
- ◆ Finally — get plenty sleep but always keep one eye open - you never know the day nor the hour !

*I am conscious that some of us think
we have a "Dogs Life" —
but when you know how to deal
with the bits and pieces of life
- a dogs life may not be so bad after all !*

Have a good week, Don't loose your shirt .
