I was thinking !

Dear Fellow Traveller,

How can we live up to the Parish Motto "Family of Families" ? Our meeting on Oct 7th is held just for that agenda. We need to examine what we're doing and what we're about. Many visitors note all the events going on around the church and compliment us. The task now is how can we build on these ideas. We encourage as many as possible to come and ask that you give some thought on what can be tried out, any areas you can help or any needs we can identify, etc. There is already lots going on and many volunteers do great work. To paraphrase John F. Kennedy: " Ask not what your parish can do for you but what you can do for your Parish !" Working together we can achieve a lot ! Here are a few lists to jog your mind.
