Dear Fellow Traveller,

Today marks the end of a period stretching back to Lent and Palm Sunday. Reflecting back on the Scriptures read during Lent and the Triduum, we see the disciples' confusion about what Jesus was preparing them for. He warned them often that He had to suffer, die, and rise, and yet they were still in hiding and unsure of their mission after the crucifixion and Resurrection. Scripture states that they were locked in the Upper Room in fear of the Jews after Christ's death and then **that they were left** "looking intently at the sky" after Christ's Ascension. It is not until Pentecost, when the Holy Spirit descends upon the disciples, that the gift of understanding is given to them and they are able to go forth and spread the Gospel message.

In celebrating the Solemnities of the Ascension and Pentecost after Easter Sunday, we come to understand our role as **Christians on mission**. We are reminded that we too are equipped with the Holy Spirit for the call to go out to all the nations and proclaim the Good News, baptizing in the name of the Trinity.

We next celebrate the Solemnity of the Holy Trinity, a day to contemplate that the Holy Trinity is relationship itself, and we are invited into that relational exchange of love among Father, Son and Holy Spirit. As the Catechism explains, "By the grace of Baptism 'in the name of the Father and of the Son and of the Holy Spirit,' we are called to share in the life of the Blessed Trinity". This Solemnity invites us to ponder the vastness and majesty of God in three persons and His great love for His creation.

Finally, the Church celebrates the Solemnity of Corpus Christi, Christ, after the Ascension, remains with us in the bread and wine transformed into His Body and Blood during the celebration of the Mass. Together with the celebration of the other feasts after Easter Sunday, the celebration of Corpus Christi is a moment of grace given to us today that propels us into this season of Ordinary Time.

If we look at the calendar, the Church has been preparing our hearts to enter into this celebration of Corpus Christi. We needed Jesus to establish the Eucharist, to suffer, die and rise (Triduum), to return to the Father (Ascension), and to send the Church an outpouring of understanding for Her mission through the Holy Spirit (Pentecost). As a result, we can ponder and enter into the life of the Holy Trinity.

All of these feasts prepare the Church for the Solemnity of Corpus Christi and for our journey into Ordinary Time. The Holy Eucharist is the strength for our journey in the ordinary. The Body and Blood of Jesus assists us in following the will of God as we receive God Himself. The Solemnity of Corpus Christi can be celebrated with hope that Jesus is with us in this Holy Sacrament, and the Church is calling us to continued growth in Ordinary Time.

Once you get it or understand then life is no longer ordinary but

EXTRA — ordinary .

If your still confused by it all, then simply enjoy the long days of Summer.
