SCATTERED THOUGHTS !

Dear Fellow Traveller,

In many ways we live in a world today, which tries to say too much with too little. We are bombarded with news, opinions and comments. “Social Media” has developed into an all powerful medium. Consequently, few listen. Sometimes the best sermons are the ones left unspoken. Action speaks louder than words.

- The Lord is my Shepherd... That's a Relationship!
 - There is nothing I shall want... That's Supply!
- He makes me to lie down in green pastures... That's Rest!
 - Near restful waters he leads me... That's Refreshment!
 - To revive my drooping Spirit ... That's Healing!
- He guide me along the right path ... That's Guidance!
 - For the sake of His name ... That's Purpose!
- Though I walk through the valley of the shadow of death... That's Testing!
 - I will fear no evil... That's Protection!
 - For you are with me... That's Faithfulness!
- Your rod and Your staff comfort me... That's Discipline!
- You have prepared a table before me in the presence of mine enemies... That's Hope!
- You have anointed my head with oil... That's Consecration!
 - My cup is overflowing ... That's Abundance!
- Surely goodness and mercy shall follow me all the days of my life... That's Blessing!
- And in the house if the Lord shall I dwell ... That's Security!
 - Forever and ever ... That's Eternity!

Let's face it , God loves us and is our friend ! What is most valuable is not what we have in our lives, but WHO we have in our lives !.

On Opening up “Indoor Dining and foreign Travel. – Will I? Won't I? “

If nothing else, I think we can say Covid has taught us a deeper understanding of our own vulnerabilities and of what is important. And one, undeniable need is the one of “community”. We are in a better place than we were this time last year, because when we look back, we realise how resourceful and strong we can be. But now – largely down to the vaccine and our collective efforts – there's more optimism in the air. So we continue to be careful, thankful for what we have and reminding ourselves that together we can do a lot !

Have a good week.

G.J.

As the summer emerges, we take time to connect again with our Family and Friends and hopefully renew the relationship that was partly disturbed by Covid. Here is a reflective letter to best friends.

One day, all of us will get separated from each other. We will miss our conversations of everyday of everything and nothing and the dreams we had. Days, months and years will pass until this contact becomes rare.

One day, our children will see our pictures and ask : "Who are these people? ". And we will smile with invisible tears because a heart is touched with a strong word. And we will say : “It was with them that I had some of the best days of my life”.

Thank you friends for being there for me and always bringing a smile on my face. Love you all best friends.

C U Soon, Hang in there!

Summer at St Vincent de Paul.

Big Thank you to all who have donated to the Salthill Conference of St Vincent de Paul. There are envelopes in the porch, into which you can place your donation, and then put it in the safe beside the Sacred Heart shrine, or drop in to Parish Office. Fundraising is difficult due to Covid restrictions and thus your continued generosity is very much appreciated is a great help Thank you

If we all give a little - it will help a lot !
